University Center for International Studies
University of Pittsburgh

Attestation of Financial Support

Please review the following instructions before completing and signing this form.

- You MUST show **immediately available liquid assets** for the first year only. (NOTE: Liquid assets include money in a banking account or other funds that indicate immediately available for withdrawal. Retirement accounts cannot be used as a source of financial support unless you can provide evidence that you are, in fact, retired and able to access those funds without penalty for early withdrawal. Real estate or other non-liquid assets such as automobiles, jewelry, or other personal property cannot be used as a source of financial support under any circumstances). Please provide financial support evidence to the student. The student will submit this information to the Office of International Services.
- All proof of financial support must:
 - be submitted in English and include your full name.
 - state the currency used and total amount available. We are able to convert your home country's current to USD if needed
 - clearly state the date that the documentation was written or printed and must be issued within the last six months
- Please be aware that evidence of financial support must also be shown to the U.S. Embassy or Consulate when applying for a visa.
